

Quick Clearance Work Group

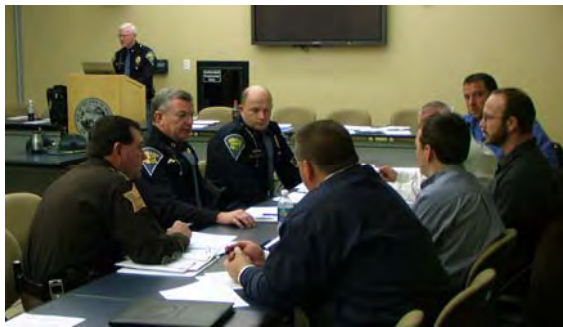

January 22nd, 2008

Meeting Information

The meeting started off with a presentation from Major Tom Melville with the Indiana State Police. (A copy of the presentation will be available on the Indiana Quick Clearance website). Each member was then assigned to their designated working committee. These committees are designated as red, yellow and green and are assigned specific tasks to focus on. Each committee is made up of representatives from various agencies such as fire/ems, law enforcement, transportation, health/environment and homeland security. Each committee member was encouraged to 1. Document the common practices for these topics and 2. List any barriers and/or obstacles that may be involved in completing this task. Example: What can we do to change the current practice and/or what can we do to make it better? All committee members also voted on a co-chair for each of the groups.

The next meeting will be held Tuesday, February 19th 2008 from 9:00 am to 11:00 am at the TMC. At this time each member will need to have completed items 1 and 2 of the committee structure.

Newsletter Spotlight

We encourage all members to visit the new Indiana "Quick Clearance" Website.

<http://indianaquickclearance.org/>

This site contains valuable information concerning the Quick Clearance initiatives in Indiana—and some great publications and web links. Including information on the I-95 Corridor Coalition and a link to the MUTCD (Manual of Uniform Traffic Control Devices)
